Seeking a 6-month end-of-studies internship, available from January 2027

PROFESSIONAL EXPERIENCE

Banque de France, Finance Department, Paris	Sept. 2025 – Aug. 2026 (gap year)
<i>Management Controller, Budget, Management Control & Performance</i>	<i>Mar. 2026 – Aug. 2026</i>
- Built with AI the internal cost simulation tool (Python, JavaScript) covering €2bn of annual costs across 700+ activities: scenario simulation, variances against the reference budget, cost-optimisation levers - Monitored costs and performance by department; produced management reporting for operational managers - Redesigned the team's entire management reporting in Power BI (Power Query, DAX): dashboards and KPI design - Led a cost benchmark across European central banks for the Executive Board, within COMCO (management control committee)	
<i>Financial Analyst, Accounting & Tax Studies</i>	<i>Sept. 2025 – Feb. 2026</i>
- Automated the production of the Banque de France Annual Report with Python and AI, cutting preparation time by 60% - Built financial projections and simulated 10 years of investment strategies for the bank's real-estate subsidiary - Analysed ECB monetary policy and currency circulation data; presented English-language summaries to CFOs of European central banks - Created the management report: consolidated 10 years of internal data with automated charts	
Angel & Associés, Accounting, Audit & Advisory Firm, Paris	2021 – 2024
<i>Accounting Assistant & Data Migration Technician (alongside studies, 14 months in total)</i>	
- Managed 15 client accounting files: bookkeeping, bank reconciliations and VAT returns (Cegid Quadra, MyUnisoft) - Rolled out a new bank-transaction collection system (SoBank) across all client files and trained the teams - Automated client data migrations with Python and AI tools, reducing processing time by 80%	
Leroy Merlin, Paris Beaubourg	2023 – 2024 (8 months)
<i>Sales Advisor & Deputy Store Operations</i>	
Inventory management, reorganisation of stockrooms and sales floor; customer advice	

EDUCATION

ESSCA School of Management, Boulogne-Billancourt	2021 – 2027
<i>Grande École Programme, MSc Banking and Financial Engineering, final year (graduating 2027)</i>	
6-month Erasmus exchange in Barcelona, courses taught in Spanish, strategy track	
BTS in Accounting & Management (1st year), Lycée Le Rebours, Paris	2020 – 2021
Ranked first in class, with highest honours	
Baccalauréat, Science track (Maths major), Lycée Rocroy St-Vincent-de-Paul, Paris	2017 – 2020

EXTRACURRICULAR ACTIVITIES

Treasurer, University Sailing Association	Sept. 2022 – Jan. 2023
- Managed a €20,000 budget with full financial transparency; secured three major sponsorships - Organised sailing events; 5th place at the Spi Dauphine university regatta	
Private maths tutoring , high-school students
